FUTURE ENERGY
BALTICS Expo

15-17 MAY 2024

FUTURE ENERGY BALTICS EXPO 2024 INVITES MANUFACTURERS, SUPPLIERS, DISTRIBUTORS, SERVICE PROVIDERS AND SOLUTION DEVELOPERS OF SOLAR ENERGY, TRADITIONAL ENERGY AND BUILDING MANAGEMENT AND ENGINEERING SYSTEMS FROM THE EU AND THE BALTIC STATES TO DISCUSS THE LATEST DEVELOPMENTS AND TRENDS, EXPLORE INNOVATIONS FIRST-HAND AND MEET WITH POTENTIAL NEW CUSTOMERS. IT IS A SEPARATE PART OF THE EXHIBITION, LOCATED IN HALL 4.

The highlight of the exhibition is renewable energy now and tomorrow; integration of renewable energy into buildings, renewable energy in industry, e-mobility and infrastructure solutions. Attention will be paid to the topics of renewable resources, e-mobility, sustainability, smart production solutions. This is a meeting place for equipment manufacturers, technology users and service providers.

MAIN VALUES OF PARTICIPATION IN THE EXHIBITION

Partner search

Presentation of new
products and solutionsSustainability solutions
for industry and buildings

EVENTS:

During the exhibition, a **conference** will be held, where the exhibitors will present:

05.15 Solar energy technological innovations: photovoltaic panels, inverters, batteries and storage systems, cables, charging stations for electric cars, payment and management solutions; e-mobility solutions, heat pumps for industry, etc.

05.16 Building management technologies: BMS, electrical system management and energy efficiency of buildings, uninterruptible power supplies UPS, heat pumps, electrical g-ba and integration into building engineering systems, building management and service platforms, off-grid solutions, artificial intelligence AI solutions.

05.17 Sustainability in industry: principles of sustainability, energy and manufacturing efficiency, repeated manufacturing, Environmental product declaration EPD and Life Cycle Assessment LCA, product passport, etc.

During the exhibition, there will be a permanent contact fair, where the participants of the exhibition will be able to meet and communicate with technology manufacturers and service providers, consultants.

WE INVITE YOU TO BECOME A PART OF THE MOST IMPORTANT ENERGY AND TECHNOLOGY INDUSTRY EVENT IN LITHUANIA
