

The image features a stylized abstract graphic design. It consists of several overlapping, curved shapes. A large orange shape is at the top left, pointing towards the right. Below it, a grey shape curves upwards and to the right. At the bottom, a light blue shape curves upwards and to the right, meeting the orange shape at a point on the right side. The text 'LITEXPO' is written in a bold, blue, sans-serif font, slanted slightly to the right, within the orange shape. The text 'ADVERTISING POSITIONS' is written in a bold, blue, sans-serif font, stacked in two lines, on the white background to the left of the grey and blue shapes.

The background features a large, abstract graphic composed of overlapping shapes. A prominent orange shape, resembling a stylized arrow or a wing, points towards the right. Behind it is a grey shape with a curved, organic form. In the lower right, a light blue shape also points towards the right, overlapping the orange one. The overall composition is dynamic and modern.
